## What are Pocket Parks?

St Peter's and The Moors Big Local have teamed up with TCV, An Artist (Scott Farlow) and the Parks Department, CBC to redevelop two disused Green Spaces in our area. These are small spaces and so are called 'Pocket Parks'.

## How can I get involved?

TCV will be running Green Gym sessions on Wednesdays and Saturdays from the 17th of February to the end of March where **YOU** can get involved with the development of the park, from planning to completion. The parks will include making new paths, planting new trees, making play things for kids, benches, insect hotels, bird boxes, art installations and much more!

## What is a Green Gym?

A Green Gym is a fun and easy way to get outdoors, it is open to all and is a way of getting the community together to improve green spaces. It's fun, it'll help **YOU** get fit and it's a great way to try outdoor volunteering.
